NOTE TO THE EXAMINER

This nonprovisional application resulted from a request under 37 CFR 1.53(c)(3) to convert a provisional application to a nonprovisional application. (See Request on the right inside of file.) The filing date of this nonprovisional application is the same filing date that existed in the provisional application that was converted. Any application papers (e.g., new claim(s), preliminary amendment, new drawing(s), substitute specification) that may have accompanied the request to convert must be evaluated to ensure that no new matter is introduced relative to the subject matter that was present on the application filing date.
